

MI Safer Schools: Health Resource Advocates (HRAs)

MICHIGAN DEPARTMENT OF HEALTH AND HUMAN SERVICES

JUNE 13, 2023

Introductions

Cherith Dorsey
HRA Lead Liaison
(DorseyC1@michigan.gov)

Wendi Talbert
Local Health Testing
Manager
(TalbertW@michigan.gov)

Currently, HRA program funding has been extended through July 2024.

There will be a change in the funding source for the HRA program beginning August 1, 2023.

- Therefore, final draws for FY23 must be completed no later than August 31, 2023.

HRA Program Updates

HRA Program Updates

Continuation of the HRA program...BUT
change in funding source:

WHAT DOES THAT MEAN?

- There is no way to modify a grant after it has ended.
- All expenses must be entered into Nexsys by the end of August for FY23.
- Amendment inquiries for FY24 can be made once initial amounts are loaded into Nexsys.

Standing Physician Order & HRA Active Testing Plan

One requirement for the HRA program is for each location to have an ACTIVE TESTING PLAN. There are two options to choose from:

Active Plan 1 option:

- Serial testing, post exposure, symptomatic testing, reported positive COVID-19 cases, etc., based on outbreak status.

Active Plan 2 option:

- School break testing (pre/post-holiday and events).

****Testing in case of an outbreak or by choice does not qualify as active testing.****

For entities without a Physician Order/NPI number vendor supported testing MUST be included.
